OUR CERTIFICATE

Our team wear made with sublimation printing with import Eco-friendly Ink, and comply with international quality standards which is greatly appreciated in a variety of markets around the world . we win a remarkable reputation from both of domestic and international market.

OUR SERVICE

sublimation printing

Unlike traditional embroidery or screen printing, sublimation technology permanently integrates ink into the fibers. This means the pattern will never crack, fade, or leave a trace. You can achieve full-color, complex gradient designs, perfectly showcasing everything from fierce beast logos and cool geometric shapes to gradient colors.

Personalization

Customize team names, player numbers, player names, sponsor logos, and more to create truly unique team jerseys. our creative designers update characteristics designs all the time. We are a Professional OEM&ODM Manufacturer.

policy

In order to meet the needs of individual and follow the market trend, our company introduced the industry-leading policy "MOQ=1" After several years of careful management, we has been to obtain far ahead in the industry!

1. Fabric for your Performance

Made from high-performance 100% polyester, specifically designed for the high-intensity, high-sweat characteristics of sports.

2. Unparalleled Comfort

Quick-drying and breathable properties ensure athletes stay dry, comfortable, and focused throughout the game.

4. Flexible Ordering, Fast Response

Minimum order quantity is only 1 piece, supporting small-batch trial orders and large-scale purchases. Sample production is completed within 7 days to help you make quick decisions.

3. Professional Quality Assurance

Every product undergoes rigorous needle inspection to eliminate any potential safety hazards and ensure athlete safety.
